LOUISIANA UNIFIED CERTIFICATION
PROGRAM AGREEMENT

We, the undersigned U.S. Department of Transportation (DOT) recipients, do hereby agree to participate in a Unified Certification Program, as required by 49 CFR Part 26.81. This Agreement includes all DOT recipients and subrecipients in the State of Louisiana which award contracts that total over $250,000.00.

The State of Louisiana has developed a Unified Certification Plan containing the definitions, requirements, process, and forms which will be used by the Certifying Agencies identified below. This manual is attached as Exhibit A, and becomes a part of this Agreement.

The Louisiana Department of Transportation and Development (LADOTD), the Louis Armstrong New Orleans International Airport, New Orleans Regional Transit Authority, and LADOTD – New Orleans DBE Office have been identified as agencies authorized to provide certification services in the State of Louisiana. These agencies will be responsible for certifying firms whose primary place of business is located in the following regions:

Region 1 - The Louisiana Department of Transportation and Development may certify any firm doing business in the State of Louisiana. Further, the DOTD has entered into agreements with certain DOT recipients within the state to handle issues relative to DBE certification. All current and future recipients that receive funds from DOT shall be required to accept and be bound by this UCP. All agreements are attached as Exhibit B. DOTD shall not certify firms whose primary line of work falls under the concessionaire category. Concessionaire firms will be referred to the certifying agency which is located nearest to their primary place of business.

Region 2 - The Louis Armstrong New Orleans International Airport through the New Orleans Aviation Board, the New Orleans Regional Transit Authority, and LADOTD – New Orleans DBE Office will certify firms that have their principal place of business in the New Orleans and surrounding areas.

The LAUCP makes the following representations:

1. The LAUCP agrees to follow all certification procedures and standards of 49 CFR Part 26, Subpart E on the same basis as recipients. Further, it will cooperate fully with oversight, review and monitoring activities of DOT and its operating administrations. All obligations of recipients with respect to certification and non-discrimination will be carried out by the LAUCP.
2. All direct recipients of DOT funds in Louisiana have signed this agreement, and will accept DBE certification decisions rendered by any of the aforementioned agencies.

3. LAUCP requires all certifications to be pre-certifications in that certifications will be made final before the due date for bids or offers on a contract on which a firm seeks to participate as a DBE.

4. Sufficient resources and expertise will be made available to allow LAUCP to carry out the responsibilities contained herein. Each Certifying Agency will bear its individual and joint costs in a fair and equitable manner. Each Certifying Agency will continue to bear its own costs, such as site visits, travel expenses and administrative costs. The LA DOTD will bear the cost of creating the LAUCP's web site.

   a. LAUCP has developed an implementation schedule ensuring that the UCP is fully operational no later than 18 months following the approval of the agreement by the Secretary. LAUCP will meet on a monthly basis to ensure a seamless integration of the program. A Program Evaluation Review Technique (Pert) chart is attached as Exhibit D.

6. The participants in Louisiana’s Unified Certification Program (LAUCP) have agreed that the LA DOTD will be responsible for maintaining one centralized directory, which shall be Internet based. This directory will be in place and operating within 180 days from the date of US DOT approval of our plan. The electronic version of the directory shall be updated by including additions, deletions, and other changes as soon as they are made.
